OCCC Meeting

Friday, May 13th

</div>

Chemeketa Community College

<div align="center">

Minutes

</div>

1) Meeting brought to order at 9.10 am

2) Agenda for meeting approved.

3) Minutes of previous meeting approved.

4) Reports from the campuses:

Lane CC (Linda Loft)

Greater than 100% growth in last 2 years (CS and CIS). The networking area is "overwhelmed". Gaming and web development are both up.

Paul Wilkins was introduced as new faculty. He is working on a game development program.

PSU (Karla Fant)

Doubled enrollment in last 12 months in CS 161, 162 and 163. 44% of students skip CS 161. Can enter CS 162 (C++) directly if you have a programming background.

SWCC Brookings (Chris Williamson)

50th anniversary. New campus. 4.9% increase in FTE campus-wide. 15 students learning Game Maker.

Shelly Hudson (Dept of Community Colleges, Salem)

Decrease in federal funding. Decrease in Perkins funding. (Down 25%).

Clackamas CC (Deborah)

Enrollments up 5% campus wide. Computer classes doing better than that. Have done some consolidation and budget reduction. Have merged computer education with business department. Health Informatics degree approved. (AAS).

OIT Portland (Jay Bockelman)

New program in 'Embedded Systems Engineering'. Enrollment in Software Engineering is up 10%. CIS is up 10%.

OIT Klamath Falls (Sherri Yang)

3 tracks: Software Technology, Computer Engineering Technology, Embedded Systems. Hardware enrollment dropping, but software increasing slightly. Summer Camp for Game Maker.

Linn Benton CC (Dottie Korse)

Program is full. Starting Health Informatics in fall. New medical school opening in Lebanon, teaching MO's, not MD's.)

Western Oregon University (Bob Brogue)

6,000 students total. Large foreign population who pay 3x in-state tuition. (Saudi Arabia pays for all graduate tuition for Saudi nationals). New tenure track position open.

Chemeketa CC (Mitch Fry)

Enrollment up 7% to 8%. Everything in CS is fully enrolled. Will start checking prereqs next year. 30 transfer students.

University of Oregon (Jim)

300 level classes have 50 students, up from 30. Aug 14th to Aug 26th: Pacific Rim Summer Workshop.

Oregon State University (Molly Shorr)

Molly will no longer be head advisor. Admitted 95 students to CS Professional Program (up 30 from previous winter). 3 options: CS, IS, Applied Systems (which includes simulation and game programming. $450,000 scholarship money available for CS students. Paul Paulson is retiring. OSU is hiring a new CS instructor.

5) Governor's Office (Nancy Golden)

Governor's goals: 40% to have 4 year degree, 40% to have a 2 year degree, 20% to have a "family paying" job.

SB 909 intended to create a K-20 "seamless system".

The Governor's priorities are: Education, Jobs, Health. (SB 242).

6) The next meeting will be Oct 28th at PCC Sylvania.

7) Meeting adjourned at 12.00pm

Agenda topics for next meeting:

1) Swensen Award. Committee: David Todd, Linda Loft, Sherri Yang.

2) Review descriptions and outcomes of transfer classes.
